**STATEMENT OF JANE E. INGLESE**

The above-identified patent application was filed with the U.S. Patent and Trademark Office on June 6, 2001, as evidenced by the Express Mail Label (copy enclosed herein). The return Post Card was stamped as being received by the Patent and Trademark Office on June 6, 2001. The Updated Filing Receipt dated December 7, 2001 changed the original filing date of June 6, 2001, which had been correct on the original Filing Receipt, to the incorrect date of October 18, 2001.

The Updated Filing Receipt was received by our mail room on December 10, 2001. On January 7, 2002 we noticed the discrepancy between the date we actually filed the application June 6, 2001 and the filing date accorded by the U.S. Patent and Trademark Office on the Updated Filing Receipt (October 18, 2001). The discrepancy appears to be the result of a clerical error on the part of the U.S. Patent and Trademark Office. Applicants respectfully request the correction of the filing date for the above-identified to read June 6, 2001, 2001.
